Come see what Professional Grade towing is all about! Stop by the GM Accessories booth to experience the Sierra HD Denali and Sierra HD AT4's professional grade trailering options and other popular GMC Accessories available for personalization.

12:30 PM- Head over to the GM Marine / PCM tent to see your beautiful engine from outside of the boat. You will learn what makes these engines easy to maintain as well as what development and testing goes into the product to make it a durable, powerful and efficient engine for a better, longer day on the water.

ROSWELL.

1:00 PM - Visit Roswell Marine at their booth on-site and on the water in their custom Nautique G25! Experience your favorite song through Roswell's premium line of R1 Marine Audio and learn more about the world's most innovative towers, racks, and accessories.

Stop by to learn more about their Wake Responsibly and waterway protection initiatives and how you can make a difference on your waterways!

1:30 PM - Stop by and learn more about Boatmate's world class manufacturing process, towing safety, and regular trailer maintenance! Regular trailer maintenance is critical to ensuring the longevity of your trailer and that you arrive to the water safely.

Hyperlite Wake is the longest standing brand in wakeboarding and wakesurfing. Head over to their tent for the latest wake and surf gear!

SeaDek is customizable! Stop by their booth to learn more about their options for maximum comfort, and a better, longer-lasting marine flooring solution!

The HookCups is a safe and secure way to connect your boat and float. Stop by our booth to learn how this innovative product protects your boat from fender and other boats while on the water

11:00am-5:00pm - **Demo Rides with Nautique Pro Athletes**

7:00 PM - **Meet & Greet Dinner**
Poolside @ Nautical Beachfront
